WWW.OCONCHEMICALS.COM

TAILORED SOLUTIONS NATIONWIDE

For over 40 years, Ocon Chemicals has provided Irish school laboratories with safe, compliant waste management solutions tailored to each school's precise needs. Let us put our track record and expertise to work to safeguard your school, pupils, and teachers.

COLLECTION & DISPOSAL

We will call to your school to an agreed schedule, classify and segregate your waste, and transport it securely for compliant treatment and disposal.

RECYCLE & RECOVERY

We offer a comprehensive, end-to-end recycle and resource recovery service to convert your school's laboratory waste into new materials, products and energy sources.

UN Approved Packaging:

sharps containers, drums, buckets, waste bins, bulk containers, solvent containers.

GUARANTEED COMPLIANCE

Our team of waste management experts from our HazChem and ADR trained drivers to our in-house DGSA advisors guarantee a safe, compliant service in accordance with our ISO 9001:2015 certified procedures and waste transfer protocols.

DOCUMENTATION

We guarantee full traceability on all waste disposal transactions via our waste disposal documentation, and certificates of destruction.
